

Dear Cramer Hill Community,

Thanks to your comments at the July 16th Planning Board public hearing on the Cramer Hill Redevelopment Study and Plan, we have re-examined the properties for acquisition to implement the Redevelopment Plan. This re-examination has resulted in 3 things:

(1) a significant reduction of properties for acquisition from 640 properties down to 580;

(2) the shifting of 12 blocks from the Redevelopment Area to the Rehabilitation Area; and

(3) the verification that **ALL PROPERTIES FOR ACQUISITION ARE VACANT.**

Attached here you will find two lists: **List A** shows the properties that were REMOVED from the “To Be Acquired” and “To Be Rehabilitated” lists because they were found to be occupied. **List B** shows all of the properties that remain on the “To Be Acquired” and “To Be Rehabilitated” lists, **ALL OF WHICH ARE VACANT**, that are contained in the Cramer Hill Redevelopment Plan that will be considered by Planning Board.

The Redevelopment Plan does not require the acquisition of any type of occupied property; there will be no displacement of any occupants of residential, commercial, industrial or institutional property and consequently no need for relocation.

The Planning Board continues to take public comment on the Cramer Hill Redevelopment Study and Plan at their next regularly scheduled meeting to be held on August 13th at 6pm in City Council Chambers-2nd Floor of City Hall.

Thank you again for your continued interest in improving the Cramer Hill Community!

Apreciados Residentes de Cramer Hill,

Gracias a sus comentarios durante la audiencia pública de La Junta de Planificación del día 16 de Julio hemos re-examinado las propiedades incluidas en la lista de adquisición del Plan de Re-Desarrollo de Cramer Hill. A través de este proceso realizamos tres cosas:

(1) una reducción significativa en el numero de propiedades para a ser adquiridas. El número se redujo de 640 originales a 580;

(2) una cambio en la clasificación de 12 bloques del Área de Re-Desarrollo al Área de Rehabilitación y

(3) la verificación de que **NINGUNA DE LAS PROPIEDADES IDENTIFICADAS PARA SER ADQUIRIDAS ESTA OCUPADA.**

Adjunto encontrara dos listas: La **Lista A** contiene las propiedades que fueron REMOVIDAS de la listas “A Ser Adquiridas” y “A Ser Rehabilitadas” por que se encontró que estaban ocupadas. La **Lista B** contiene todas las propiedades que permanecen en las listas “A Ser Adquiridas” y “A Ser Rehabilitadas”, **TODAS LAS CUALES ESTAN DESOCUPADAS** y forman parte del Plan de Re-Desarrollo de Cramer Hill que será considerado por la Junta de Planificación.

El Plan de Re-Desarrollo no requiere la compra de propiedades ocupadas de tipo alguno; nadie será desplazado ni tendrá que mudarse de su residencia, de su propiedad comercial, industrial o institucional, consecuentemente no habrá necesidad de relocalizar a nadie.

La Junta de Planificación continuara tomando comentarios públicos sobre el Estudio y el Plan en su próxima reunión ordinaria que se celebrara el 13 de Agosto a las 6:00pm en la Sala del Concilio Municipal – Segundo Piso de la Alcaldía.

¡Una vez más queremos agradecer su interés en mejorar la comunidad de Cramer Hill!
